Dear Sir or Madam:

This letter is to express my interest in the role of React Native developer at your company. I have attached my resume that contains details of my qualifications, skills, and relevant work experience.

My technical skills include programming languages, libraries and frameworks such as JavaScript, ReactJS, React Native, NodeJS, ExpressJS, NoSQL and SQL databases, WordPress, and Internet of Things

Continuing to grow is very important to me, so I enjoy being pushed outside my comfort zone, requiring me to develop new skills and techniques to have the necessary tools to ensure any job or project to completion.

Your time and consideration is much appreciated. Feel free to call me any time on my cell phone 951-476-5236, or shoot me an email tristan.e.perera@gmail.com

I look forward to speaking with you about the opportunity!

Sincerely,

A handwritten signature in black ink, appearing to read 'Tristan Perera', with a stylized, flowing script.
